

ELECTRONIC PRESCRIPTIONS

BAMC, LACKLAND, RANDOLPH PHARMACIES ACCEPTS ELECTRONIC PRESCRIPTIONS. STARTING 01/22/2022 ELECTRONIC CONTROLLED SUBSTANCES WILL ALSO BE ACCEPTED FROM NETWORK PROVIDERS.

Benefits of using e-prescriptions:

- E-prescriptions increase patient safety by preventing medication errors.
- Improve prescription accuracy and decrease transcribing errors.
- Increased prescription process efficiency by decreasing prescription calls to providers.

1. View the TRICARE formulary at [TRICARE.mil/pharmacyformulary](https://tricare.mil/pharmacyformulary) to view costs/copays and other medication information.
2. Ensure your personal profile on the NPPES registry is current to include practicing location and an acceptable fax number. <https://nppes.cms.hhs.gov/>.
